Application Process:

Submission: Complete the Special Event Permit Application and submit to the City of Manitowoc Tourism Department for approval. The application can be submitted by email to the Special Event Committee Chair at tourism@manitowoc.org. Applications must be submitted 60 days prior to the event date to avoid incurring a late application fee of \$100. Submission of an application does not automatically grant approval to conduct the event. Do not advertise for an event before obtaining written approval from a representative of the City of Manitowoc Special Events Committee. The use of social media is considered advertising if distributed publicly.

Review: After receipt of the application, a confirmation email will be sent to the email provided. Event organizers are invited and encouraged to attend a meeting with the Special Event Committee at which time the event application will be reviewed. The event organizer is responsible for submitting any revisions to the original application in writing. Revisions are subject to review and approval by the City of Manitowoc.

Submit Insurance: Organizers are required to submit a Certificate of Insurance showing \$1,000,000 general liability coverage and a separate Additional Insured Endorsement listing the City of Manitowoc as being additionally insured for event dates including set up and tear down. City of Manitowoc must also be listed as the Certificate Holder with the address as 900 Quay St., Manitowoc, WI 54220. Failure to submit insurance at least 30 days prior to the event to the Clerk's Office will result in a \$300.00 late insurance fee. Events where alcohol will be sold or served require Alcohol Liability Coverage in the minimum amount of \$500,000 each occurrence, \$500,000 aggregate. Events with a bounce house or other inflatables require bounce house/inflatables coverage in the minimum amount of \$1,000,000 each occurrence, \$2,000,000 aggregate. Some activities may require additional insurance. Vendors who accept payment card information (PCI) are required to provide evidence of Cyber Liability with a limit of \$1,000,000 per occurrence OR maintain PCI compliance OR utilize a PCI compliant 3rd party vendor for all payment card transactions. Acceptable proof of this requirement being met includes: certificate of insurance evidencing cyber liability OR letter evidencing PCI compliance OR letter evidencing use of PCI compliant 3rd party vendor.

Approval: If the special event is approved, an email will be sent with special event requirements. If Common Council approval is necessary (for example, for any street closure, noise ordinance waiver, waiver of park time ordinance, waiver for alcohol in a park, or an extension of premise), the provided email will also be notified of Council's decision. This may add extra wait time. A Special Event Application will not be approved without an acceptable Certificate of Insurance.

The City of Manitowoc reserves the right to require additional information or documentation regarding the applicant, applicant’s company, sponsoring company/organization, co-sponsors, event participants, event vendors, event activities or the event itself. The City of Manitowoc may postpone approval of an event permit until receipt of additional requested information or documentation is provided. Clean up must be completed after the conclusion of the event by the time stated on the approved application. All portable objects such as tents, fencing, port-a-potties, etc. must be removed by the applicable clean up deadline unless prior written approval has been obtained from the City. If cleaning is not accomplished by the event organizer within the time allotted, the organizer will be billed on a cost recovery basis.
