Not at this time. I will pass this to Courtney to follow-up as this is her district. If she wants to put a formal request in for discussion then we will do so.

I will try again later, but please listen to his message and consider this for the Public Safety Agenda. I think he brings up some good points. I understand that it is not easy putting Waldo to 25 mph as far as our mindset in Manitowoc, but it is nearly all residential and already 25mph from about Park Row to the Lake. This is also something former Alder Kummer was (and I'm sure is) strongly advocating for in the past.
