My recommendation would be to place this as an Unbudgeted CAWG Request on DPI's Agenda, unless someone knows of another funding source. We could also place this on the Finance Agenda and we are having a CAWG Meeting tomorrow. So all the boxes could be checked within two weeks to make it happen if that ends up being the recommended action.

Alderman Kummer,

Would you be willing to discuss this at Public Infrastructure?

The question would be whether it's worth it to asphalt the other side when it will be redone in 2 years.

Thanks!
