**Subject:** driveway

Good Morning Sonia or Sonya

I was in yesterday inquiring about putting in a driveway to the east of my building at 1306 Washington St in Manitowoc. Greg decided that this had to go to committee and you asked me to send you a follow-up email. Well, this is it. I need to know if you will allow me to put in a driveway just to the east of my building at 1306 Washington St. If you need anything else, then please just let me know.

Joe Schuh
