Re: Ball Diamond Donation Tube Request – Softball Field Irrigation

Staff is requesting approval to fund the installation of water lines for irrigation purposes at Citizen Park softball fields CP2 and CP3 in the amount of \$11,149.50 through the Ball Diamond Donation Tube. The Ball Diamond Donation Tube account collects \$30 from every adult softball team registration with the purpose of utilizing the funds for ball diamond improvements.

Total project cost is \$14,362.00 with the difference being made up through Parks general budget.

This request would expend all funds currently in the ball diamond donation tube account.

Thank you for the consideration,

Brock Wetenkamp
