

16-0094

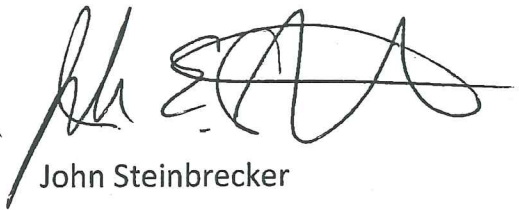

CITY OF MANITOWOC

ATTENTION GREG MINIKEL

I, John Steinbrecker, request the city to install a mini storm sewer from the South East corner of Waldo Blvd. and North 16th Street in Manitowoc going South 130 feet to my property at 1035 N. 16th Street for my sump pump lateral and downspouts.

I have water seeping up through my floor and my sump pump can't keep up. I burnt out two already.

Sincerely,

John Steinbrecker
