Re: Request for No Parking Here To Corner sign

Safety Committee,

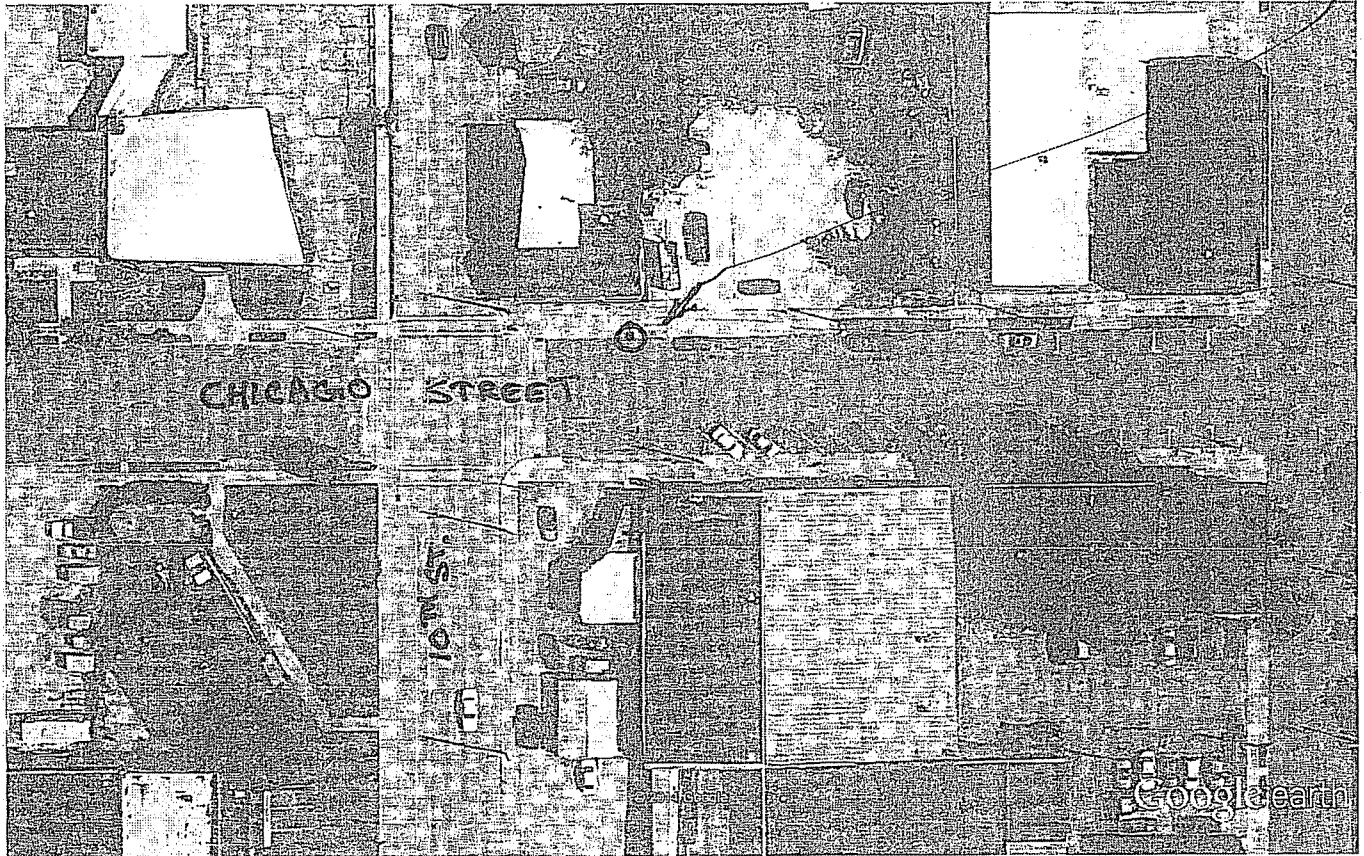

The Manitowoc Public School District has opened a Next Step Connections site in the 100 block of North 10th Street where students with significant disabilities receive home living skills practice. These students utilize the Transit system and although our regular bus stop is nearby, the buses often cannot safely deploy their ramps because of cars being parked in the indicated area.

I respectfully ask that a "No Parking here to corner" sign be placed at the indicated location on the attached drawings. This request was considered at the October Transit Commission Meeting and was recommended unanimously to be approved and sent onto the Public Safety Committee.

Please let me know if I can be of further assistance in helping with this decision. Thank you for your consideration.

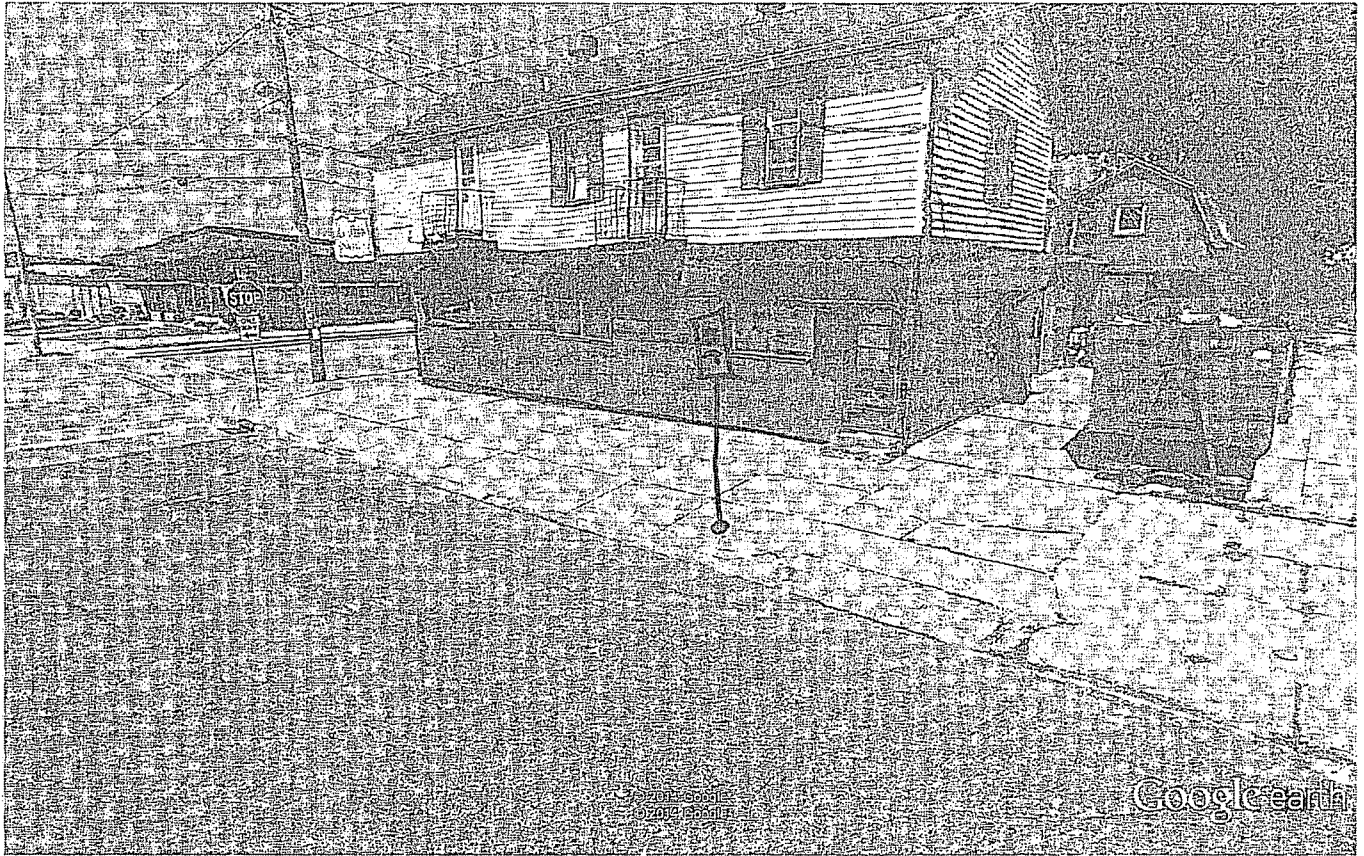

cc. Dan Koski, Director of Public Infrastructure
Joanne Metzen, Director of Pupil Services - MPSD
