CITY CLERKS OFFICE

Resume for appointment consideration to Manitowoc City Utilities Commission

Donald Goeke
3006 Custer Street
Manitowoc, Wi.

Cell 920-323-7450
DOB: October 26, 1929

Manitowoc has been my choice of residence since 1944. I consider Manitowoc superior to any other place I've lived. Past and present city alder-persons, mayors and the many others have done well over the years keeping the city a desirable place to live and visit.

My previous employment and learning's has made it possible to locate, analyze and determine correction of problems. This plus justifying start of a new procedure or discontinuing an existing procedure

The following are attributes that would make me an asset to the committee.

As a private citizen I have kept abreast of the local government workings.

Served on the county board and genuine concern for its future.

As a volunteer; 5 years PTA in elementary grades (established a city wide PTA council). 10 years in various capacities in the Cub Scout program (everything from parent to Chairman of the program for Manitowoc and Calumet counties)

As a volunteer in the Head Start program as a reader for 11 years (from 2001 to 2012)

County Ageing & Disability Resource program since 2004

Very concerned as an environmentalist that we must change direction in various disciplines thereby reducing the possibility of future shortages of non-renewable resources

In conclusion I would be honored to serve on this committee
