Fyi

We have also been discussing this internally. I am working on gathering other city's plans, milage, equipment, parking ban info for comparisons. I think we all agree that there is room for improvement. Should be good discussion.

For some reason, this year I have been getting more inquiries from the public to change the street sweeping parking from districts, to odd/even or 1-side every other day.

Would you be willing to bring this discussion to Public Infrastructure Committee for discussion?

It may be a good idea to revisit/review this since we haven't since we first implemented it years ago.

Thanks for the consideration!
