

RESOLUTION

WHEREAS, the Preliminary Plat of the Mariner Lux Subdivision was reviewed by the City Plan Commission at its meeting held February 26, 2025; and

WHEREAS, the City Plan Commission did recommend the acceptance of the Preliminary Plat with the following conditions:

- 1) That all development improvements prerequisite to approval of the final plat (Section 21.060) are fulfilled before final plat approval is sought.
- 2) That the final plat shall meet all requirements of the City of Manitowoc Subdivision Code and Chapter 236 of the Statutes of the State of Wisconsin.
- 3) That the final plat approval be sought within 36 months after preliminary plat approval by the Common Council.
- 4) That the subdivider's engineer certify that all improvements have been installed as per plans and specifications to the satisfaction of the City of Manitowoc and the Director of Public Infrastructure.
- 5) That the subdivider comply with the Manitowoc Public Utilities requirements regarding water services. Also, provide all utility easements as necessary. Provide positive surface drainage and comply with the approved drainage plan. Provide minimum elevations at building setback and sidewalk locations on the final plat.
- 6) That the conditions of the City Plan Commission's report number 25-0155 (PC10-2025) be complied with as accepted by the Manitowoc Common Council.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Common Council that the Preliminary Plat of the Mariner Lux Subdivision be accepted conditioned upon compliance with the aforementioned conditions.
