Hello Alderman Soeldner,

Please see the email thread below.

As the clientele of both of these (large) constituencies overlap and many have the same mobility and transportation issues, it would be great service (and frankly, a needed service for the disabled and our country's veterans) to have a bus stop as noted below.

We won't be occupying the building until April 2017 so there is some time to work through any issues. Also, I would be happy to appear at any of your committee meetings to testify on behalf of this matter.

Please advise on what steps we should take next.

Thank you,

Gerry

Importance: High

Hi Jim,

As of April 2017 our Aging & Disability Resource Center and our Veterans Services Office will be moving to the Heritage Center Building at 1701 Michigan Ave.

Any chance of adjusting Route 6 and adding a bus stop at the corner of Revere & Michigan Ave ?

Is there any specific oversight committee we'd need to make this request of?

Please advise.

Thanks,

Gerry
