Our Mission

The Manitowoc Parks and Recreation Divisions are committed to improving the quality of life for all Manitowoc's residents and visitors. This is accomplished by providing and promoting well maintained parks, facilities, and public open spaces as well as offering a variety of lifelong recreational opportunities and special events for people of all ages.

Subject: Weed cutting - Bruce Elliott lots west of Monroe & Community Garden

Amber Daug, 920-645-9467, called yesterday regarding weed cutting on the unimproved Bruce Elliott lots behind Monroe School & the Community Garden (parcels 355-038-001 & 355-039-002). They are planning to let the grass grow & then harvest it next week for horses. She is wondering if she needs to do anything to prevent this property from being cut due to a weed violation, when in fact they are growing grass for horses. She indicated that once Bruce Elliott sells his business, it is his intention to gift these parcels to Grow It Forward as a tax write-off. In the meantime, they were trying to think of a way to utilize these parcels in line with their mission without putting a lot of investment into parcels that were technically not theirs yet. Amber would like someone to call her back.

Billy,

I can call and discuss with Amber. Is this something she can even do? I don't see any reason why she should be allowed to do this without council approval, otherwise everyone can just say they are harvest grass for weeds. Done deal, correct?

Dan, Should I tell her to take it to PI committee? Is this something we should add to the agenda?

Thanks

Curtis Hall
