Sonja, I've attached 3 items, one shows the basic configuration of the concrete pad, the other 2 show the verbiage on a piece of polished black granite 5 feet tall, by 30 inches wide, by 8 inches deep which will sit on the cross of the red arrow facing east and west.

Is this enough info?

Good Morning Ed,

You can either attend the meeting in person (with mask) or Zoom into meeting. We offer both ways. If I could have the documents by August 28th for upload with the agenda to our website. Let me know if you need anything further.

Thank you!

I have someone working on a more professional rendering of the memorial, what is the cutoff to get you the documents? May I attend the meeting or is it a zoom meeting.?

Hi Sonja,

Can you add the Red Arrow Monument design plan update to the upcoming PI Agenda? At the moment I don't have any documents to attach.

Ed, can you send any supporting documents that you have to review for approval to Sonja or myself.

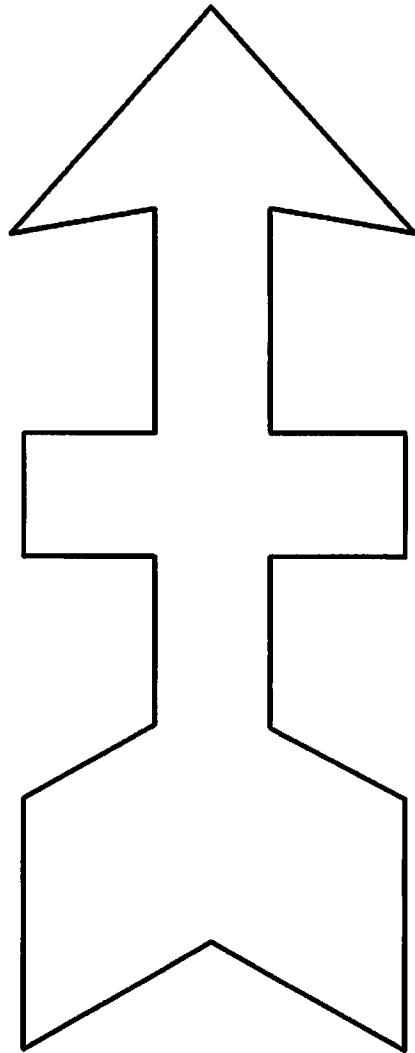

Thanks,
