15-178

I need to get the ok to hire police officers up to the budgeted amount in 2015

I need to get the OK to fill an upcoming Lt position that will be vacated through retirement.

I want to create a Deputy Chief of Administrative Support and seek approval of Public Safety

Good Evening Gentlemen,

Attached are the items I show for Public Safety this Tues Feb 3. Please review and advise of any changes you'd like by early morning so that I can produce a final agenda for the clerks by 11am.

Thank you,
Deb
