Hello Chris,

I spoke to both Jill and Jeff separately today. I let them know that he could apply for the license this year and if he passed a background I would send it through regardless of the \$200 balance, as he had a prior license and was not given notice about the \$200 until now. He said he knows he should have taken care of the OWI fine completely even though it was 25 years ago.

He asked that we withdraw his license application and take the \$55 and put it towards the \$200 balance on the OWI fine. It sounds like he plans to pay that off some day. He said he really didn't need the license anyway and it was more of a convenience thing, as there will be other licensed bartenders when he bartends.
