Dear City Clerk Officials,

Thank you for your kind donation towards our 'Step it Up' Event that was held on July 9, 2014. RAYS along with The Manitowoc Youth Diversion Program collaborated with each other and with the help and generosity of our local businesses for donations; we were able to make our services known within our community. Getting our youth organizations to be noticed within Manitowoc and Manitowoc County for our kids and their families will hopefully generate the services that are needed for them.

Sincerely,

*Jody Kisolek*
