

Silver Ridge park possible playground examples

The following photos are examples of what you might expect to get for around the \$25,000.00 price range for Silver ridge park. There are 100's of different options out there and multiple companies that manufacture equipment.

These photos were provided by Burke playground equipment. They are the company that the city worked with for all phases of the Red Arrow Playground project.

The estimated cost break down looks something like this.

Burke
premier play environments
Design: 3D-2431
