Dear Council Members:

Congratulations on receiving the Governor's 2016 Exemplary Award from the state Division of Vocational Rehabilitation for the city's ongoing commitment to hiring individuals with disabilities in its many departments.

I am very passionate about supporting people with disabilities as it offers them confidence, a sense of purpose and increased independence, and I commend you for your efforts in making inclusion a core value in your workforce. You should be very proud of this recognition.

Once again, congratulations on this award, and I wish you and the City of Manitowoc continued success in your commitment to offering hope to the disabled citizens in Manitowoc.

Sincerely,

Glenn Grothman
