Re: Utility Easement on South 6<sup>th</sup> St. for the Wharf (Item #21-0205)

The location that was chosen for the electric transformer was reviewed by the MPU, the Owner and City Staff. In lieu of a site on private property, the chosen site appears to be the best alternative.

We support approval of the utility easement and recommend that the City Attorney and the Owner finalize the proposed agreement that was attached to the meeting agenda.
