SUBJECT: Resolution establishing pay for election workers in 2023

Election inspector pay is set by resolution annually. Attached is the proposed resolution for 2023 pay, which includes a \$20 increase for the daily rate of election inspectors and a \$10 increase in the additional pay for chief election inspectors.

This resolution also establishes the rate of pay for the Central Count workers.

Pay for election inspectors was last increased in 2018, and these proposed increases were included in the 2023 budget. In an effort to fairly compensate these important positions, I believe the election inspectors are due for an increase.

Thank you for your consideration.

Sincerely,

Mackenzie Reed
City Clerk/Deputy Treasurer
