Price: 649.99
Qty: [Add to Cart](#) [Compare Cameras](#)

Product Summary

The SC950 Security Camera is ideal for covert surveillance of people and activities. Its small size makes it easy to conceal, and simple setup is quick to deploy in the field. (will not effectively capture license plates - see 5M750 License Plate Camera)

Product Features

- No Glow Covert surveillance of people and activities
- Color Images by day and monochrome by night
- Loop Recording overwrites oldest images for continuous operation
- Dual Scheduling allows camera operation by time of day and day of week
- Extended battery life captures up to 40,000 images
- Includes MapView™ Security Software for Windows®
- View Product Tech Specs

Heavy-Duty Security Enclosure

[View Large Image](#)

Price: 69.99
Qty: [Add to Cart](#)

Product Summary

Custom fit Heavy Duty Security Enclosure for all HyperFire Series Cameras. This item also works well to disguise the cameras in an urban setting as it looks like an electrical box. Made from 1/8" steel with weather resistant powdercoat finish. Includes 4 lag bolts for mounting. Lock sold separately. Dimensions: 7" tall, 6" wide, 3.75" deep.

HyperFire Cable Box

Price: 149.99

Qty: Add to Cart

Product Summary

The HyperFire Cable Box is the perfect way to conceal and protect your HyperFire Security Series camera along roadsides and streets. Made from the same enclosure that utility companies use, this cable box will hide your camera and help to protect it from theft. Includes a keyed lock.

Product Dimensions:

- Height - 19 1/2"
- Diameter - 7 1/2"
- Stake Length - 12"
