RE: Request for extension of noise curfew  
"Campfest" Customer Appreciation Campout  
Manitowoc County Expo/Fair Grounds  
September 11-13, 2015

To Whom It May Concern:

We have planned another fun filled weekend in appreciation to our customers and have been growing this event each year. Our positive experience working with the City of Manitowoc and the Expo Grounds personnel is the reason we are planning our event in the community again this year, accordingly we are once more sending you this request.

Our request for this 10 year anniversary year is the same as was granted by the Common Council the last nine years. We have a similar line-up of entertainment as previous years (even a little more) and to accommodate the bands setting up and taking down, we respectfully request that the city extend the time to **midnight** during the weekend due to the tight scheduling. We continue to believe that the people affected by this event will actually be attending, thus benefit from the extension of time.

On Friday, September 11<sup>th</sup>, we anticipate the attendees to start arriving before 10am and continue arriving thru the night from all over Wisconsin and Michigan and possibly even farther. Our entertainment will start at 4pm on Friday and be scattered through-out the weekend.

Thank you for your consideration given to this request and look forward to your positive response. Please do not hesitate to call me if you have any questions regarding our event. I am available at 920-434-2380 or my cell phone 920-655-7693. Please request to speak with Barb Dorn if you have time sensitive questions and are unable to reach me.

Sincerely,  
Wagner's RV Center, Inc.

Leonard L. Wagner
