[No Parking Signs](#)

After further review of the accident data and sight view of the area, Engineering Division Manager Greg Minikel recommended placing "no parking" signs on the west side of North 8th Street from the North curblineline of Huron Street to the North curblineline of Cleveland Avenue. Due to this being a residential area and would restrict property owners from parking in front of their houses a motion was made to place this item on file due to data not warranting a controlled intersection.
