Good Morning Chief Reimer,

I'm not sure if this is the proper venue for this but I found your information on the Manitowoc Police Department website.

My sister, a friend of the family, and I were involved in a traffic incident yesterday on the exit ramp of 143. A young girl somehow managed to wedge her car in to the driver's side of the Equinox we were in. Officer Robert Weyer responded and I felt the need to tell you just how incredibly he handled the whole situation. The young girl was an emotional wreck and the three of us were in a bit of shock. He kept control of the situation and with his demeanor really diffused emotions so everyone really was as fine as they could be with the whole situation.

I just felt the need to pass this along. He helped to make an unfortunate incident more tolerable than I would've thought possible.

Thanks for taking the time to read this and I hope you have a wonderful day!  
Kris Ellis
