TO: Public Infrastructure Committee
FROM: Curt Hall, Parks and Rec. Division Manager
RE: Playground Equipment Donation

A local resident, who requested to stay anonymous at this time, has committed to making another generous restricted donation to the Parks and Rec. department to fund the purchase playground equipment. The donor has expressed interest in revitalizing the degraded playground area in the southwest portion of Red Arrow Park. The donor has observed such a positive response to the new playground at Citizen Park that he has requested that the City use the donated funds to purchase another Zip Line and spinners similar to those at Citizen Park. Currently the donor has requested the transfer of funds(\$10K) previously contributed to the Library Playground project to the Park Dept. and has expressed interest in contributing an additional undisclosed amount depending on final playground design. The donor has expressed a strong commitment to supporting fun, healthy activities for children in Manitowoc and feels like playground equipment is a great way to do that.
