5. Discussion and Action Items

[23-0216](#) Prohibited Dangerous Animal objection by Tamra Bolle for Majestic.

Tamra Bolle, owner of "Majestic" was present to contest the order she received to remove her dog from the City limits of Manitowoc. Mason Benzinger the step-father of the individual bit by "Majestic" was also present to discuss his concerns about the dog and why he feels the dog should be ordered out of the City.

Chief Reimer explained after receiving correspondence from Mason Benzinger an investigation took place and it was determined "Majestic" meets the definition of a "prohibited dangerous animal" pursuant to MMC 14.020(2)(C). A notice was sent to Tamra Bolle ordering "Majestic" out of the City limits of Manitowoc. Tamra contested the order which then required the matter to be placed on the Public Safety agenda to be reviewed by the Public Safety Committee.

A motion was made by Alderperson Reckelberg to move forward with the recommendation from Police Chief Reimer and order to remove the dog "Majestic" from the City limits of Manitowoc.

Moved by Reckelberg, seconded by Vanderkin, that this Action Item be accepted and placed on file. The motion carried by the following vote:

Tony explained traffic speeds through this area making it very dangerous. Tony would like to see either a reduction in the speed limit or possibly a plan to install a round-a-bout at the intersection of North Rapids Road and Waldo Boulevard.

A motion was made by Alderperson Schlei to install a radar display board like the one installed on Waldo Boulevard at Fleetwood Drive in the Southbound direction of travel on Waldo Boulevard somewhere between North Rapids Road and Fleetwood Drive.

Several parents along with Pastor Hoff from First German Lutheran School expressed their concern about pedestrian crossing at the intersection of South 8th Street and Marshall Street. During before-school and after-school hours, many young children cross at this intersection and since the 2-way traffic conversion, they feel there is a noticeable change in the traffic pattern. Several recommendations such as making the intersection a 4-way stop, adding flashing lights, and providing a school crossing guard were made. After some discussion, no action was taken on this item at this time. Police Chief Reimer will request more enforcement in this area and members of First German will work on possibly coming up with funds to install pedestrian crossing signs or provide a crossing guard. Collin Braunel will also discuss with the school board if there are any options they can provide.
