**Subject:** Burger Boat Company Request for Pedestrian Crosswalk

Hello Alderman Cummings,

I received an email from Breanna Sprague, who is the Executive Assistant for Burger Boat, requesting a pedestrian safety crosswalk on Spring Street for Burger Boat. I told her that the Public Safety Committee would be the first place the request would be discussed and considered.

I am asking that this request be placed on your next Public Safety Committee Committee's agenda.

As I explained to Ms. Sprague, the next Public Safety Committee meeting will be Monday, November 13th, 5:30 PM in the Common Council Chambers at City Hall. Is this correct?

I have included Ms. Sprague on this email. Feel free to reach out to her personally if you so desire. She would be invited to the meeting, correct?

Thank you very much for your consideration of this request. If you have any questions, please feel free to ask.

Sincerely,

Jim Brey

**Subject:** External: Follow-Up with Burger Boat Company Inquiry

Dear Mr. Brey:

It was very nice meeting you on Wednesday during the Ascend presentation. They did a fantastic job putting that together and it was very nice to see so many representatives from the city and local employers.

I am following up on the discussion we had regarding trying to get a pedestrian safety crosswalk in front of the Burger Boat Company Shipyard on Spring Street.

Any information you can provide would be greatly appreciated. Thank you so much and have a great weekend!

Best regards,

Brianna Sprague
