RE: City Attorney's Office Update – February 2026
DATE: February 25, 2026

In addition to drafting legislation and reviewing contracts as requested by City departments, the City Attorney's Office has worked on the following projects and initiatives since my last update dated January 26, 2026:

Environmental Remediation

- Lemberger Landfill: Work continues as planned. The City incurs quarterly remediation costs that are shared among several parties.
- Gravel Pit: Ned Witte continues as legal counsel. Watermain project continues. Cost recovery for 2024 is in progress.
- Mirro Plant No. 9: Godfrey Kahn and Ned Witte are legal counsel for cost recovery efforts pursuant to Wis. Stat. 292.33. Litigation is forthcoming.
- WPS Superfund Site: No update.

Open Records Requests

- Open Record Requests specific to Building Inspection, Engineering, PD and Community Development.

Litigation, Prosecution, and Neighborhood Improvement

- 88 Albert Drive – This mobile home park is amenable to working with the City to bring the park up to code. Significant work has been accomplished. The timeline is likely Spring.
- Multiple new raze order requests are moving forward.
- A bicycle accident lawsuit against the City is still in the pleading stage. CVMIC has assigned outside counsel to lead the defense.

Economic Development

- CD Department's upcoming projects
 - Old Heresite property: 8 acres still available, the City has moved debris piles from the Gravel Pit to this site to accommodate the solar farm.
 - Olin/Winchester Option to Purchase: Less than 1 year on this option after extending the option last year.
 - Lakeshore Mall site: progress has been swift. All buildings are down, and infrastructure for the northern-most has begun.

Insurance/Risk Management

- Reviewed claims filed against the City, reported to and consulted with insurance (CVMIC) and Finance as appropriate.
- City needs to appoint a new ADA coordinator and issue new policies as appropriate.
