hello my name is Jason I am leader of troop 8420 girls scout,our troop have discussed what has happen to Jacklynn Gienke , and wish to try to have a traffic light installed on 9th and waldo,to try to prevent this tragedy from happening again.

each girl that wanted to has written a letter to the safety board,i am attaching these letters to email in hope that you will either vote yes for installing the light or at least start the beginning stages to do so. Our troop has taken a terrible blow this year,because not only are we worried bout future tragedy's,Karen and Jacklynn are also a part of our troop and we miss them.
