**Subject:** Re: DRAFT Public Infrastructure Committee Agenda for January 8th, 2020 meeting

Jeremiah. I would like a discussion regarding the Village Square building and parking (possible 2 level ramp). Does the building stay or come down? Possible design for two level parking and rough cost estimates. I am copying Anton Doneff with this email and he should most definitely be invited. Many thanks and Happy New Year. Will you please add this to the agenda.

Alderman Novak,

Attached is the draft agenda for the upcoming meeting. Please let me know if there are any changes.

Have a great weekend!
