Jason,

See below.

Would it be possible to get this on the P&R agenda yet for Tuesday?

This gate would allow people from the Mini Golf to use the restrooms at the Aquatic Center, and they would like to complete prior to May 1.

Thanks  
Dan

Hi Dan and Denise...

The board approved for the gate at the aquatic center. This gate will be the specs that you e-mail me about. Becker Fence will be doing the job.

The gate will be at the end of the "tunnel" so the family bathroom can be used for mini golf.

Please let me know what the next step will be... so we can have this done before May 1<sup>st</sup>

Thanks Amy☺
