Subject: Request for crosswalk

Alderman McMeans,

Would you be willing to add this discussion to your next Public Safety Committee agenda? Thanks!

From Will Schneider (cc'd in this e-mail):

Wondering what it would take to request an actual marked crosswalk on S. 29th somewhere on the block of Halverson Park? Right now, to legally walk across S. 29th St you'd have to walk all the way up to Kwik Trip (not even supported by a sidewalk that leads all the way there on the east side) or down to Rohrbachs. Between the number of kids we have crossing to use the park from ABLE and hopefully the number of customers accessing the dog friendly beer garden at Sabbatical when they leave the dog park, it seemed like a worthwhile inquiry.
