Jim,

I'm going that direction in a minute.

I will have a look for myself.

Thanks

Hello Bill,

I received a call from a constituent who is concerned with the parking situation on the north side of the 2400 Block of Franklin Street, specifically near the garage entrance to the Artist Lofts Apartment Building.

His concern is that when you are preceding south on South 25th Street and stopping at the stop sign, it is difficult to see west bound traffic on Franklin Street over the parked cars before proceeding to make a a right or left turn.

To refresh everyone's memory, I too deal with this on a daily basis as I live at the top of the hill in the 800 Block of South 25th Street.

What I am asking the Public Safety Committee to do at its next meeting is to look at this intersection and hopefully come up with a solution that would help.

I am copying Nick and Amber to give them a heads up on this.

Thank you very much for your consideration.
