Yes

I talked to the crew about this already. There was a new employee setting up this year and closing both lanes was an accident. It should not have happened that way. We will note for next year.

Sandy/Chad,

This year the right lane of 8<sup>th</sup> St over the bridge was closed because of the no right turn. At the Special Events Committee Meeting yesterday, Assistant Chief Luchterhand suggested that find a way to keep both lanes on 8<sup>th</sup> St. open to avoid traffic congestion. He said traffic was backed up past Washington St. because of the lane closure. Would you please make a note for next year's traffic control for Subfest to see if we would be able to keep both lanes of 8<sup>th</sup> St open. Thanks.

Please let me know what hours that would take place on Sunday. If it is before 8 AM or after 10 PM, a waiver of the noise ordinance will be needed.
