CONTRACT

This contract is made and entered into this _____ day of _____, 2016, by and between Kip Gulseth Construction Company, Inc. (hereinafter "Contractor"), located at 1930 Johnston Drive, Manitowoc, WI 54220 and the City of Manitowoc, Wisconsin, a Wisconsin municipal corporation (hereinafter "City"), located at 900 Quay Street, Manitowoc, Wisconsin 54220.

RECITALS

WHEREAS, Kip Gulseth Construction Company, Inc. located at 1930 Johnston Drive, Manitowoc, WI 54220 intends to install a new 8 Inch Mini-Storm Sewer in the 1000 block of North 16th Street as outlined in "Exhibit A", Kip Gulseth's Proposal, "Exhibit B" City's Specifications, and "Exhibit C" City's Plan Sheet.

WHEREAS, Kip Gulseth Construction Company, Inc. has the ability to perform the storm sewer work needed on North 16th Street.

NOW, THEREFORE, in consideration of the mutual covenants and representations of the parties hereinafter set forth, the undersigned parties hereby agree as follows:

- 1. **Recitals**. The above recitals are deemed to be true and correct.
- 2. **Scope of Work**. The Contractor agrees to perform the following work and/or furnish the following labor and materials in accordance with the terms of this contract:

All work shall be performed in accordance with the City of Manitowoc's Standard Specifications for Public Works Construction.

See listing of tasks for this project. (Attached are "Exhibit A", "Exhibit B" and "Exhibit C" and they are incorporated into this Contract by reference).

- 3. **Contract Price**. The City agrees to pay to the Contractor for the performance of this contract the sum of **\$10,533.89**.
- 4. **Schedule**. Contractor agrees to commence work under this Contract upon its execution and complete performance of this contract in accordance with the City of Manitowoc's Standard Specifications, which are made part of this Contract and are incorporated by reference. The contract completion date shall be **July 15, 2016**.
- 5. **Liquidated Damages**. For every calendar day of delay in the completion of the work beyond the time specified, unless extended by written agreement, there shall be deducted from the amount due under this Contract as fixed, agreed and liquidated damages, the sum of **One-Hundred Dollars (\$100)**.
- 6. **Payment Schedule**. Requests for payment shall be made to the Director of Public Infrastructure. The Director of Public Infrastructure shall make a recommendation on the

payment request and submit the same to the City's Board of Public Works when applicable. Contractor shall be entitled to payment within 30 days following approval by the Director of Public Infrastructure. The Contractor shall be required to submit a Lien Waiver prior to the City processing the final payment.

7. Assignment and Subcontracting. Contractor shall not be permitted to sign or subcontract any of the work hereunder without the prior written consent of the City.
8. Insurance and Bonding. Prior to commencing work hereunder, Contractor shall provide City, for approval by the City Attorney, a Certificate of Insurance showing proof of General Liability Insurance in amounts not less \$1,000,000.00 per person per occurrence, \$2,000,000.00 in the aggregate, property damage limits of not less than \$500,000.00 per occurrence, and shall carry the statutory amounts for worker's compensation insurance. Contractor shall include with the Certificate of Insurance two endorsements, one endorsement naming the City of Manitowoc as an additional insured, and a second endorsement giving City thirty (30) days prior notice of non-renewal, modification or cancellation.
9. Applicable Statutes. Any provisions of the Wisconsin Statutes, Federal Law or local ordinances applicable to the work performed hereunder are deemed to be incorporated by reference and made a part of this contract.
10. Sales Tax Exemption. The Contractor shall be required to comply with Chapter 77 of Wisconsin State Statutes and more specifically Section 77.54(9m) as it relates to the sales tax exemption for building materials that become part of a facility for a local unit of government. (This is also known as 2015 Wisconsin Act 126).
11. Contract Notice. Per Wisconsin State Statutes 62.15, a Class I notice has been executed and published for this work.
12. Other Indebtedness to City. It is understood and agreed by the parties hereto that whenever a contractor is for any reason indebted to the City of Manitowoc, the contractor consents that the City of Manitowoc through its officials shall and may, deduct and retain, any such balance out of the money or monies which may be due or become due to the contractor under this contract.
13. Indemnify. Contractor shall defend, indemnify and hold harmless the City of Manitowoc, its officials, officers, employees, representatives and agents against any and all liability, claims, costs, demands, losses, damages, expenses and attorney fees of any kind on account of any injury, damage, or death to any person or property that may arise directly or indirectly caused by or resulting from the work performed under this Contract where the injury, damage, or death is caused by negligence or willful misconduct on the part of the Contractor, subcontractor, officers, employees, r agents.
14. Default. In the event of default or breach in the performance of any of the obligations, covenants, representations or duties under the terms of this Contract by either party, the non-defaulting party shall forward written notice to the defaulting party outlining such

default. The defaulting party shall cure such default within thirty (30) days of receiving written notice from non-defaulting party, except that the cure period may be extended to a reasonable time to cure any default that cannot reasonably be cured with the thirty (30) day period, provided that the defaulting party has commenced to cure within the thirty (30) day period and diligently pursues a cure at all times thereafter until the default is cured. The defaulting party shall be responsible for the payment to the non-defaulting party of any outstanding fees, charges or expenses that were incurred by the non-defaulting party on behalf of the defaulting party.

15. Permits. No Permits are anticipated for this project.
16. Termination. Either party may terminate this Contact with ten (10) days written notice to the other party.
17. Notice and Demands. A notice, demand or other communication under this Contract by any party to the other party shall be sufficiently given or delivered and deemed delivered as of the date such notice is delivered to the party intended, if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally and addressed to or personally delivered to:

Notice and demand given shall be effective only if and when received by the party intended and acknowledged by receipt. The above addresses may be changed at any time by any party by giving written notice in the manner provided above.

18. Assignment. This Contract is not assignable without prior written consent of City.
19. Severability. If any provision of this Contract is deemed by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Contract shall not be affected thereby, and such remainder would then continue to conform to the requirements of applicable laws.
20. Amendments. This Contract can only be amended or modified in writing and signed by the parties involved.
21. Integration. This Contract represents the entire understanding of the parties as to those matters contained herein. No prior oral or written understanding shall be of any force or effect with respect to matters covered hereunder.
22. Survival of Provisions. All indemnification and hold harmless obligations shall survive the expiration or termination of this Contract.

23. **Choice of Law.** This Contract shall be governed by and construed in accordance with the laws of the State of Wisconsin. All actions or proceedings relating directly or indirectly, to this Contract, whether sounding in contract or tort, shall be litigated only in the circuit court located in Manitowoc County, Wisconsin. All parties to this Contract hereby subject themselves to the jurisdiction of the circuit court for Manitowoc County, Wisconsin.
24. **Heading.** The section titles have been inserted in this Contract primarily for convenience, and do not define, limit or construe the contents of such paragraphs. If headings conflict with the text, the text shall control.
25. **Remedies Cumulative.** All rights and remedies hereunder are cumulative, and not exclusive, and shall be in addition to all other rights and remedies provided by applicable law. Failure to exercise or delay in exercising any right or remedy hereunder shall not operate as a waiver thereof, nor excuse future performance. No waiver discharge or renunciation of any claim or right arising out of a breach of these terms and conditions shall be effective unless in a writing signed by the party so waiving. Any waiver of any breach shall be a waiver of that breach only and not of any other breach, whether prior to subsequent thereto.
26. **Construction.** All parties have contributed to the drafting of this Contract. In the event of a controversy, dispute or contest over the meaning, interpretation, validity of enforcement of this document or any of its terms or conditions, there shall be no inferences, presumption or conclusion drawn whatsoever against any party whatsoever by virtue of that party having drafted the document or any portion thereof.

SPECIFICATIONS FOR MINI-STORM SEWER ON

NORTH 16TH STREET

1. All work shall be completed in accordance with the City of Manitowoc's Standard Specifications for Public Works Construction. The Standard Specifications can be found on the City's website at www.manitowoc.org and then go to Departments/Engineering/Standard Specifications.
2. The Contractor shall be required to enter into a Contract with the City of Manitowoc for this work. It is anticipated that this Contract would be approved at the May 16, 2016 Common Council Meeting. The Contractor shall be permitted to start construction after the City has signed the contract.
3. All work shall be completed on or before **July 15, 2016.**
4. The Contractor shall furnish all of the necessary traffic control devices for protecting the work site and any lane closures on North 16th Street. The Contractor shall maintain one lane of traffic in each direction at all times on North 16th Street.
5. The Contractor shall tap into the existing inlet on North 16th Street just to the south of Waldo Blvd. All costs for tapping into the existing inlet and for sealing the connection shall be included in the unit price bid per lineal foot of 8 inch PVC Storm Sewer Pipe (SDR-35).
6. The Contractor shall be responsible to plug the hole from the existing 1-1/2 inch pipe to the east out of the inlet. All costs for plugging the hole shall be included in the unit price bid per lineal foot of the 8 inch mini-storm sewer pipe.
7. The Contractor shall furnish and install approximately 169 feet of 8 inch storm sewer pipe. The mini-storm sewer shall be installed behind the curb and as shown on the plans. The storm sewer shall be installed at a slope of 1.0%. The invert to the south out of the existing inlet shall be as deep as possible. The existing inlet is approximately 4.3 feet deep.
8. The Contractor shall furnish and install an 8 inch PVC cleanout at the end of the pipe. The cleanout shall be capped off 6 inches below grade. All costs for furnishing and installing the 8 inch cleanout shall be included in the unit price bid per lineal foot of "8 Inch PVC Storm Sewer Pipe (SDR-35)".
9. The Contractor shall replace all disturbed driveway areas with 6 inches of concrete and replace all disturbed sidewalk areas with 4 inches of concrete. All costs for removal and replacement of the driveway approaches and sidewalks shall be included in the unit price bid per square foot of "6 Inch Concrete Driveway and 4 Inch Concrete Sidewalk".

10. The Contractor shall restore all disturbed lawn areas with 3 inches of pulverized topsoil and good quality nursery grown sod. Field sod shall not be permitted.
11. The Contractor shall furnish and install an 8" by 6" Tee at the locations shown on the plans for the two proposed storm laterals serving 1035 N. 16th Street. There is an item in the proposal for these tees.
12. The Contractor shall reconnect the existing 1-1/2 inch storm lateral pipe serving 1513 Waldo Blvd. All costs for making this connection including, but not limited to, ferro adaptors, reducers, bends and all fittings, etc. shall be included in the unit price bid for each "Storm Lateral Connection".
