OFFICE OF THE MAYOR

Honorable Justin M. Nickels
Mayor Manitowoc
City Hall
900 Quay Street
Manitowoc, WI 54220

Mr. Mayor:

I request that you as Mayor and the Manitowoc City Counsel approve the providing of all necessary documentation required by TACOM to obtain an additional piece of military equipment through their Army program. This piece of equipment would be used as a military and historical display at Red Arrow Park.

The area of the Park where this piece of equipment would be displayed lies in the area already approved by the Parks Department for a new Red Arrow Memorial. It would be located on the south face, right side of the hillside parrelling the road into the Park.

I am available to provide any assistance and information needed to complete the requested documents.

Sincerely,

Edgar J. Hansen
