I would like to add an agenda item for the next P.S. Comm. meeting for reducing the speed limit on Plank Rd.

When the City vacated Plank Rd. to the west of Cappaert Rd. to the City Limits we never did anything with the speed limit.

The property owner, James Lepich, claims that his gates have been hit several times already.

Not sure that it is related to speed, but it should probably be 25 mph on Plank Rd. between N. Rapids Rd. and Cappaert Rd. in lieu of 35 mph.

I have attached the proposed changes to the Ordinance language.

We are also looking at adding some aluminum posts with red diamonds to see if that helps.
