Good Morning Amber:

Thank you for following up. Unfortunately, at this time we are no longer interested in installing a crosswalk at our Spring Street location. The quoted amount is higher than we had anticipated. We're very appreciative of everyone involved who took the time to provide us this information.

Please contact me if you have any questions. Thank you!

Best regards,

Brianna

Hi Brianna,

I am in the process of preparing the January Public Safety agenda and wanted to follow up with you to see if you were able to talk with your company to determine if they would be willing to fund the project to install a flashing pedestrian crosswalk for your employees.
