Sonja,

Please put this request on the December PI Committee agenda.

This sign does not require an Ordinance Change, so there should be no issue with it going to the PI Committee. Thanks.

Greg

West of the Lake asked me to investigate the possibility of a ONE WAY sign at the exit from the office and new parking. They would like this sign on the median. I don't know if the city or the state would be in charge of this sign. There are similar signs at other locations on Memorial Drive.
