Re: 2015 Wisconsin American Legion Baseball State Tournament  
Manitowoc American Legion Baseball

Dear Alderman Sladky:

Please be advised that Manitowoc American Legion Baseball has been selected as the host for the 2015 Wisconsin American Legion Baseball 17-under State Tournament. Teams throughout Wisconsin will compete for an opportunity to advance to the eight team double elimination tournament in Manitowoc which will be held at Manitowoc Municipal Field on July 22<sup>nd</sup> through July 26<sup>th</sup>, 2015.

The 2015 Wisconsin American Legion Baseball State Tournament brings excitement to the local baseball community along with providing exposure for the Manitowoc community and economy to the participants and their families who will be visiting the Lakeshore area during the tournament. As the participating teams typically only play a single game each day, there is an opportunity for the participants and their families to engage in various tourist and/or recreational activities within our community.

As part of the welcoming gift we will be providing to each participating team various items including, but not limited to, tourist information from the Manitowoc Area Visitor & Convention Bureau, coupons for discounts at local restaurants, admission certificates for local museums, and other relevant information for visitors regarding our community. I would also like to offer the participants and their families the opportunity to visit the Manitowoc Family Aquatic Center and/or Mini Golf Course. I would appreciate it if the City of Manitowoc would please consider providing a coupon for free or reduced admission to the participants to one or both of these venues. Allowing the participants to attend would provide a great family activity to enjoy within our community and provide additional attendance along with increased revenue in the form of concessions or admissions at both facilities.

Very truly yours,
