Attention Clerks Office

My name is Chue Yang and I wish to revoke my application for a liquor license on behalf of Thai Chi Lounge LLC. As the sole proprietor of the LLC I feel that it is not necessary for the to own a license that we won't be able to use, seeing that the LLC has been dissolved. Being that Thai Chi Lounge will not be purchasing or selling any kind of alcohol I do not see it necessary to have in my possession a liquor license.
