Morning,

Attached is an ordinance amending 14.440 Trespass. We updated this ordinance in 2016 following a statute change and inadvertently removed the provision relating to public property such as Metro Transit facilities and non-park public property. Park property is governed by MMC 8.250. This amendment fills the gap and supports the long-held Transit Exclusion Policy. I ask that the Committee approve this ordinance amendment.

Respectfully,  
Liz
