Hello Dan and Alder Boldt.

This is just a heads up. I would like to start a discussion in PI Committee of extending the sidewalk on the southeast side of Magnolia Ave. so that folks trying to walk from 18th Street east on this stretch aren't forced to walk in the street and compromise their safety.

Since we are full speed into 2024 budget, can we schedule this for December or January to be considered for 2025 please.

Thanks, and I look forward to hearing from you.

Bill Schlei
District 8 Alderman

Hey Andy -

No plans as of right now.....but alas it is budget season! (and as you know, new assessment season too...I am sure you miss that!)

I cc'd your alderman too.

Good idea.

Hope you are doing well!

Subject: External: Sidewalk along Magnolia Avenue

Hello Mayor:

Has any consideration been given to put in a sidewalk (or even a crushed gravel path) along Magnolia Avenue from where it intersects with Nagle Avenue to the east where the sidewalk continues (near where the railroad tracks crossed at one time)? Along with others, I often walk that route for exercise, and have to walk that stretch in the roadway. Traffic often exceeds the posted speed limit, and it feels dangerous.

Thanks.

Andy Berkhout
