We will also have to modify some of the existing ordinance sections. See attached.

Section 10.230 Four-Way Stop will need to be modified somehow.

There will be 3 street names for this 4-way stop.

4-way stop at the intersection of Reed Ave. with Johnston Drive (north leg) and Bayshore Dr. (south leg).

Subject: Bayshore Drive & Bay Pointe Road - New Signs Required

Nick and Amber:

With the new construction of Bayshore Dr. and Bay Pointe Rd. we will need some Ordinance changes or additions.

Can we put this on an upcoming Public Safety Committee Agenda?? This can wait until the June meeting, if your May agenda is already set.

The streets will not be opened until sometime in July.

Here are the proposed changes or additions:

1. **No Parking will be permitted on Bayshore Drive from Waldo Blvd. to E. Reed Ave.**
2. **No Parking will be permitted on Bay Pointe Road from Memorial Drive to Bayshore Drive.**
3. **Stop Sign at Bay Pointe Rd. and Memorial Dr. As this is a State Highway, I am not sure if this is already in State Statutes and does not need an ordinance for it. I do not see an ordinance for the existing stop sign at Johnston Dr. and Memorial Dr.**
