Experience:

Military:

Army, daily morning report auditor  
Air Force, NCO in charge of special orders section

Making precision parts for the U. S. Air Force (production as well as inspection)

Time and motion study with application

Office manager for largest contractor in the building of the Mirro rolling mill

Office manager for general contractor building the North High School in Sheboygan and three large additions at Argonne National Laboratories (Biology - Atomic - Decontamination)

Engineer (staff level management) design facilities with work stations for distribution of retail merchandise for large (650 store chain) (Wisconsin facility served 13 stores) (also aided in budget development)

Plant manager for manufacturing plant (this was a three shift operation) (including all R & D and develop costs)

Served one term on county board

Committees; Safety, Ageing Disabled Resource, Soil and water  
Served on special committee that wrote the county Ordinance regulating (commercial) windmills

Have served on the ADRC Transportation Coordinating Committee since 2004

Active in the PTA program at Franklin School for 5 years. Established a city wide PTA council to better be heard at School Board and City Council meetings (at that time the school budget was through the city council)

Volunteered in the Cub Scout program for 10 years in various capacities to include, Pack leader, round table commissioner and chairman of the Manitowoc and Calumet counties program

Volunteered at the head start program for 11 years

All decisions should be thoroughly researched to properly evaluate the subject for justifying an up or down decision, thus avoiding "Oh My Josh".

My diversified background should be an asset for the challenge of city government.

In closing, my concern and involvement is not only in the local community, but; in the overall of mankind.
