Mr. Mayor and City Council:

Re: Changing wording on signs on 9th Street
in the block of Lincoln High School.

The street is too narrow to comfortably
allow cars to meet when both sides are
parked full. This occurs on week-ends
and evenings.

My suggestion is to change the signs
to read, "No parking on this side at
any time." or words to that effect.

Sincerely,
Jayce Robbins

P.S. Another suggestion is to simply
widen the street at no cost to
the homeowners.
