Can we get this on the September agenda for PI? I have more info for discussion.

Dan,

I will try to talk to you about it sometime before that. Seems like a very good thing for our community and I would hope we could use room tax dollars for it.

Mayor is this possible? We would split the cost with TR so it would be \$1,250.00 per city.

Subject: Trail Community

Hi Chad,

I am following up on our conversation last spring regarding Manitowoc and Two Rivers joining as an Ice Age Trail Community. If I remember correctly you were going to run it by your committee to see if it is of interest. We have a lot going on in Manitowoc County with are recent acquisition near Walla-Hi. We'll be spending considerable time and resources in your area. I would love to highlight this trail work with a community connection. Are you still interested in moving forward with a Trail Community designation?
