Park, Recreation Committee  
October 15, 2015

Dear Committee Members:

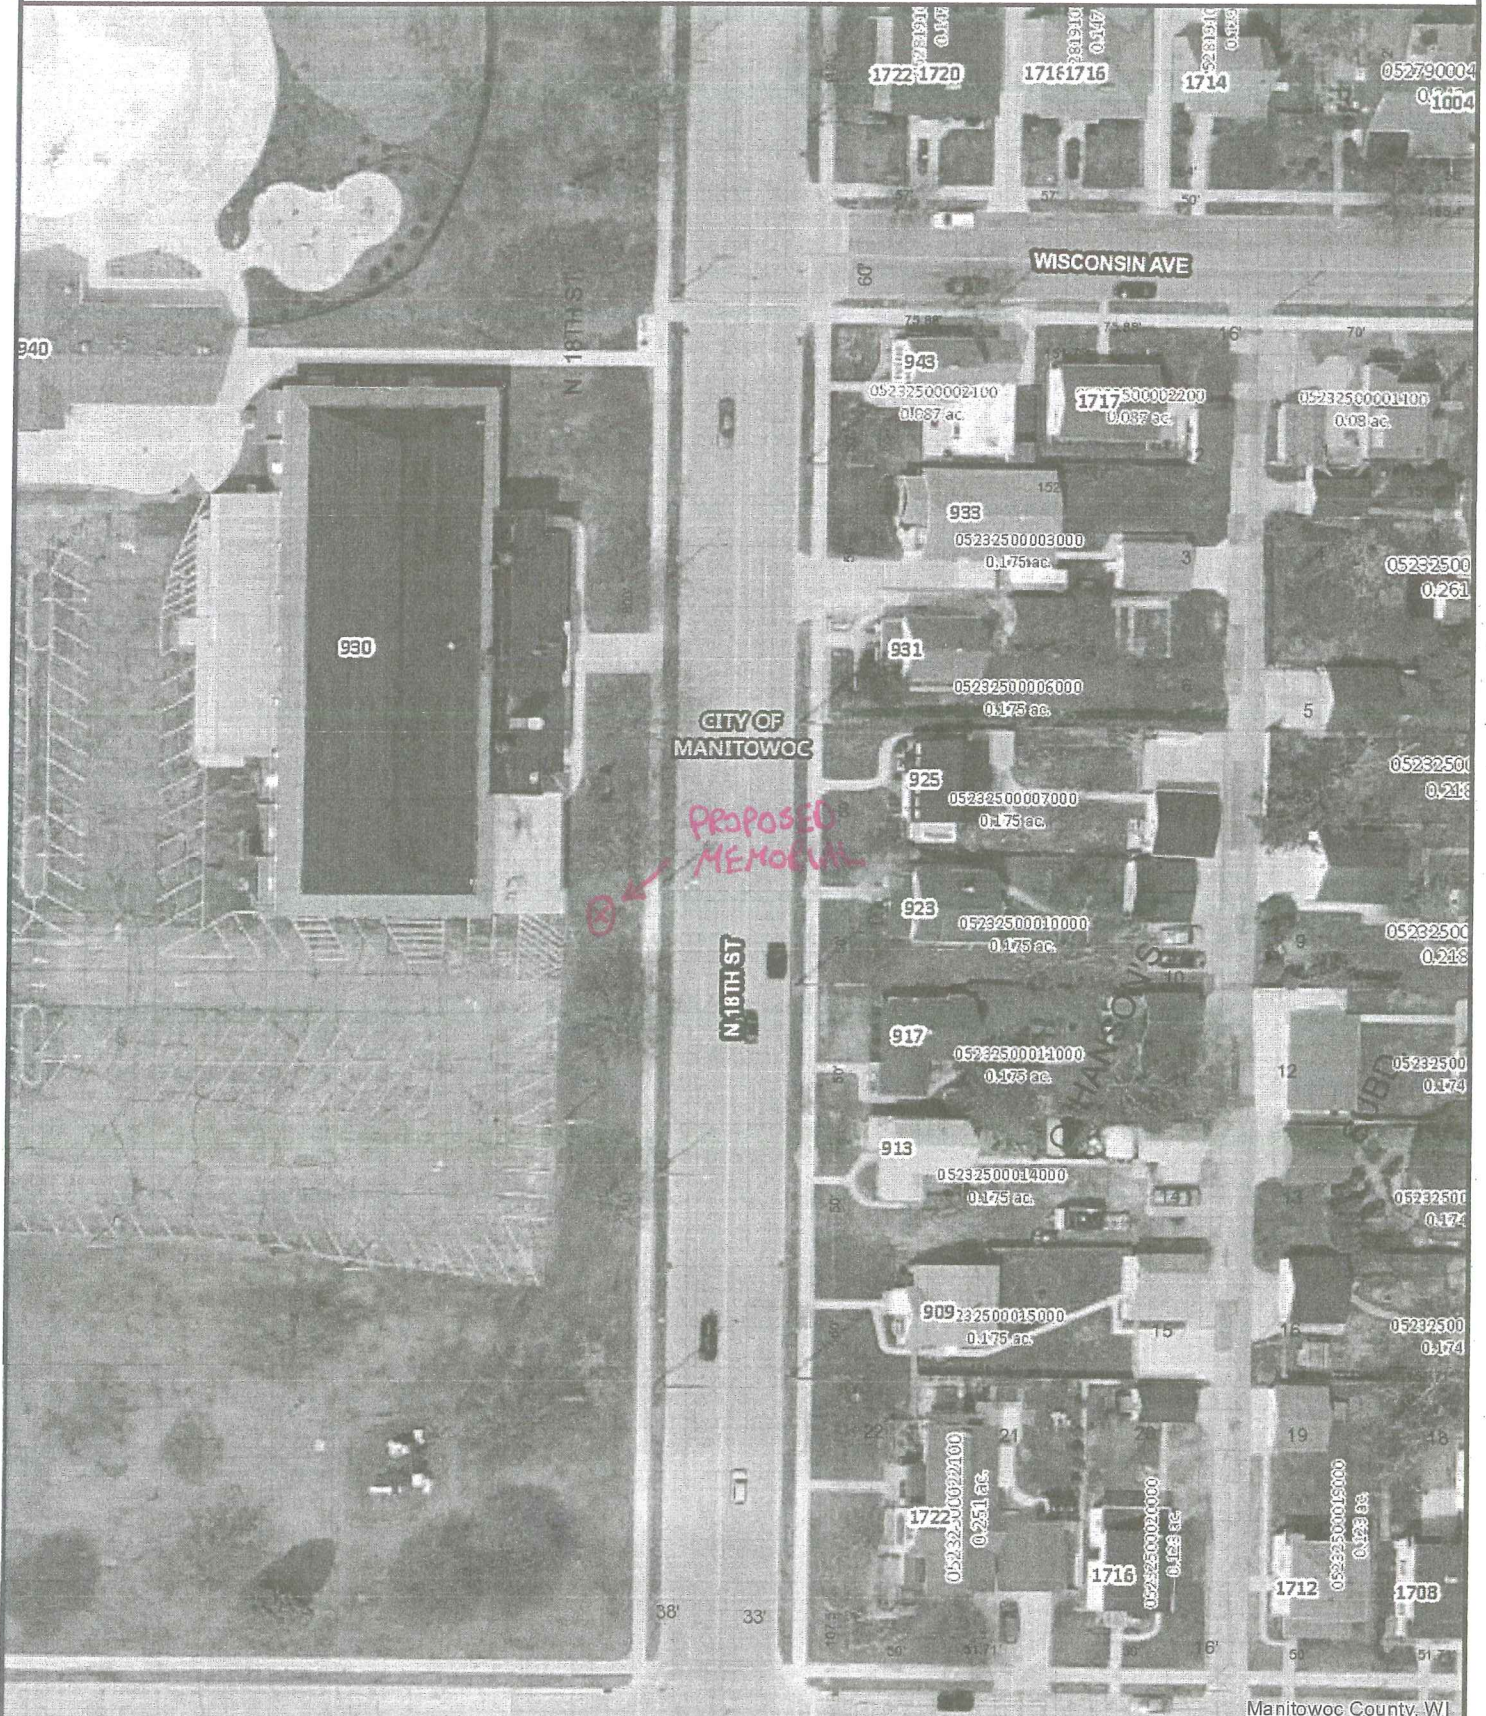

On behalf of the family and friends in the community of the recently deceased Greg Comstock we respectfully request your approval in establishing a landscape memorial to honor Greg for his 30 year contribution as owner/operator of Rollaire Skate Center. I have recently been working with Chad Scheinoha from the Parks Department in designing and site location. It would be similar to the one currently in place in front of the rink only a bit south of it. This type of design was chosen rather than a tree to guarantee no interference with either power lines or underground utility lines. A marker would be added identifying Greg and his county wide contribution. The expense for this would be absorbed by the family along with memorials given on his behalf at the funeral. If you would have any further questions please feel free to contact myself or Chad with regard to this lasting memorial. Thank you very much for your anticipated support.

Very truly yours,

Cindy Comstock
