Subject: Additional CC request for PD

Hello Steve,

Per our phone conversation on 01-26-2016, I am requesting an additional credit card for the police department. The card is for Training Coordinator, Lt. Paul Behrendt. Paul has been using the "travelling" card, however this card has not been accepted on some of the on-line registration areas of schools and hotels. These sites will not recognize a credit card that does not have a personalized name printed on it.

I ask that we keep the "travelling" card active, as it has saved us a lot of time recently. More and more purchasing is being done with the credit cards and the extra cards save a lot of time on the administrative side of the building.

Thank you for your consideration,

Rob Barbier
