Public Notice of an Air Pollution Permit Application Review

Facility Description.

Manitowoc Public Utilities, located at 701 Columbus Street, Manitowoc, Manitowoc County, Wisconsin, FID 436035930, submitted to the Department of Natural Resources (DNR) a permit application, including plans and specifications for the construction of up to four natural gas-fired boilers, the construction of a sorbent injection system for two existing solid fuel-fired boilers, and the replacement of a variable frequency drive on an existing solid fuel-fired boiler and revision of permit no. 436035930-P24 for operation of a municipal electric production facility. Air pollution construction permit no. 15-DMM-061 and air pollution operation permit no. 436035930-P25.

Application Review.

DNR has made a preliminary determination that the application meets state and federal air pollution control requirements and that the permit should be approved. You can review the permit application, the DNR's analysis and draft permit prepared by the DNR at the Department of Natural Resources Bureau of Air Management Headquarters, Seventh Floor, 101 South Webster Street, Madison, Wisconsin, 53703; Northeast Region Headquarters, 2984 Shawano Avenue, Green Bay, WI 54313-6727, tel. (920) 662-5158; or contact Dave Minkey at (920) 662-5179 or by e-mail at david.minkey@wisconsin.gov. This information is also available for downloading from the Internet at http://dnr.wi.gov/cias/am/amexternal/AM_PermitTrackingSearch.aspx.

Public Comments.

Interested persons wishing to submit written comments on the application or DNR's review of it or wishing to request a public hearing should do so within 30 days of publication of this notice. Posting and Public Comment Deadline dates can also be found on "Air permit public notices" web page located at http://dnr.wi.gov/cias/am/amexternal/public_notices.aspx. Comments or request for hearing should be sent to:

Wisconsin Department of Natural Resources, Northeast Region Headquarters, 2984 Shawano Avenue, Green Bay, WI 54313-6727. Attn.: Dave Minkey.

Reasonable accommodation, including the provision of informational material in an alternative format, will be provided for qualified individuals with disabilities upon request.

For Part-70 sources, the revised operation permit will not be issued until the United States Environmental Protection Agency (US EPA) has an opportunity for review. After all comments received during the public comment period have been considered, a proposed revised operation permit will be drafted and sent to the US EPA for review. DNR will post the start date of the US EPA review on the Internet at <http://dnr.wi.gov/air/permits/permitsearch.html>. Any person may petition the US EPA under 40 CFR Part 70.8(d) within 60 days after the expiration of US EPA's 45-day review period to make an objection to the operation permit revision. DNR will post the deadline for this petition on the Internet at the above address. Unless the US EPA objects in writing to the issuance of the operation permit revision as proposed within US EPA's 45-day review period, DNR will issue the final operation permit revision as proposed.
